Académie d'Aix Marseille: 2018 — 2019
- Assistant in MAMOP**  
Ministerio de Asuntos Exteriores: 2016 — 2017

### Technical Competencies

### Soft Skills

لا يبنى الجائط من حجر واحد

"A single stone does not make a wall"

Throughout my work experience, I have embraced the following beliefs:

- Great projects are the result of the prolonged cooperation of many tenacious people.
- The foundation of collaboration is understanding and effective communication.
- In the worst situations, you only have your colleagues left.
- Good work done today lays the foundation for tomorrow's work.

### Formación

#### Bootcamp Fullstack Mobile App Development
